PERSONAL

I am an Information Technology student with a strong interest in research, emerging technologies, and technological innovation. I am focused on developing my technical and analytical competencies through academic research and practical projects. I am particularly interested in exploring technology based solutions to address real world challenges and contribute to the advancement of the Information Technology field. I am committed to continuous learning and applying my knowledge in both academic and professional environments.

EDUCATION

PRESIDENT UNIVERSITY, Candidate for *Sarjana Komputer (S.Kom.)*.
GPA 3.88 / 4.00, Sep 2025 - Present

Honors : JABABEKA Scholarship Rank 2 Awardee — Sep 2025 - Present

Activities :

1. **PLRC (President University Literature and Research Club)** — Aug 2026 - Present
   Vice Chairperson of PLRC 2026 — Aug 2026 - Present
   As the Vice Chairperson, I am responsible for assisting the Chairperson in managing and coordinating the club's activities, programs, and internal affairs. I also serve as a supporting leader who helps ensure that the club's goals and programs are properly implemented.
2. **PUMA (President University Major Association) - Informatics** — Oct 2025 - Present
   Junior Secretary of PUMA Informatics 2026 — Oct 2025 - Present
   As a Junior Secretary of PUMA Informatics 2026, I am responsible for managing organizational documents, preparing meeting minutes, and supporting administrative needs to ensure smooth coordination and execution of PUMA activities.
   Event Organizer of Hackathon 2026 — Jan 2026 - Present
   As an Event Organizer, I am responsible for coordinating event flow and execution, as well as conducting school visits outside Cikarang to promote the hackathon competition and introduce President University to prospective participants.
   Secretary of Farewell PUMA Informatics 2026 — May 2026 - Jul 2026
   As Secretary, I am responsible for managing organizational documents and preparing various official letters required for the event, such as permission letters and other administrative correspondence.
   Fundraising of Company Visit II 2026 to BSSN — Mar 2026 - Jul 2026
   As part of the Fund Raising team, I am responsible for fundraising activities and managing finances from fundraising efforts and consumption to support the operational needs of the event.
   Secretary of Workshop Alumni 2026 — Nov 2025 - Feb 2026
   As Secretary, I am responsible for preparing event proposals, managing organizational documents, and producing official letters required to support the execution of the event.
   Secretary of Company Visit I 2026 to PT. United Tractors — Nov 2025 - Apr 2026
   As Secretary, I am responsible for preparing both internal and external event proposals, managing organizational documents, and drafting official correspondence required to support the execution and coordination of the event.
   Secretary of Guest Lecture 2026 with PT. United Tractors — Mar 2026 - Apr 2026

As Secretary, I am responsible for managing event documents and preparing official correspondence to support the organization and smooth execution of events.

Vice Project Manager of ICON 2026 to Institut Pertanian Bogor Jan 2026 - Apr 2026

As Vice Project Manager, I assisted in overseeing event execution by coordinating all divisions, ensuring tasks were completed on time, and supporting overall planning and progress monitoring.

3. **PUFA (President University Faculty Association) - Computer Science Fundraising X Consumption of Compsphere 2026 (VOLUNTEER)** Apr 2026 - Present

As part of the FNC team, I am responsible for securing event funding, managing merchandise sales and orders, and coordinating food and consumption needs to support the successful execution of the event.

SMA NEGERI 7 MANADO, High School Diploma. Jul 2022 - May 2025

Honors : Program Indonesia Pintar (PIP) 2024 Feb 2024 - Jan 2024

Awards : Gold Medalist in the Indonesian Youth Science Olympiad (Biology) Aug 2023

Activities :

1. **MPK-OSIS SMAN 7 Manado** Oct 2022 - Nov 2024

Student Council (OSIS) Sector 7 Division Oct 2022 - Nov 2023

As Sector 7 Division, I am responsible for developing and implementing programs in health and sports for students, including organizing physical activities such as group exercises and collaborating with the school Red Cross (PMR) to support health related initiatives.

Student Council (MPK) Secretary Division Nov 2023 - Nov 2024

As Secretary of MPK, I am responsible for managing organizational documents and drafting official correspondence, including warning letters and termination letters for members who violated regulations, ensuring proper administrative procedures were followed.

Secretary of Valentine's Day Dec 2023 - Feb 2024

As a Secretary, I was responsible for managing event documentation and preparing various official correspondence and proposals required to support the planning and execution of organizational events.

Secretary of Hari Pendidikan Nasional Mar 2024 - May 2024

As a Secretary, I prepared internal and external event proposals and handled official documents to support smooth administrative processes.

Secretary of Masa Pengenalan Lingkungan Sekolah (MPLS) May 2024 - Jul 2024

As a Secretary, I created event proposals and official letters while ensuring all required documentation was properly organized.

Member of Fundraising Smantu Cup Jul 2024 - Sep 2024

As part of the Fundraising team, I managed event funding through merchandise sales and consumption arrangements to support operational needs.

Secretary of PEMGAS & LDKO Aug 2024 - Nov 2024

As a Secretary, I support event execution by preparing proposals, managing documents, and handling official correspondence.

PROJECTS

President University Phishing Detector, *Front-end Developer* Sep 2025 - Apr 2025

Phishing Email Detector is a Python based web service designed to detect and prevent phishing email attacks. It helps protect users from potential data loss caused by fraudulent emails and raises awareness about the importance of securing personal information from cyber threats.

Travel Destination Website, *Programmer* Oct 2025 - Dec 2026

The Travel Destinations website is a project built using HTML and CSS to help users discover tourist destinations in Indonesia while promoting the country's natural and cultural beauty to both local and international audiences.

Mochitopia Website, *Programmer* May 2026 - Jun 2026

Mochitopia is an interactive quiz platform designed to make learning fun and engaging by offering questions from various subjects with different difficulty levels. It allows users to learn while playing in a more enjoyable and interactive way.

GestaBuild Website, *Programmer* May 2026 - Jul 2026

GestaBuild, short for Gesture-Based Architectural Builder, is an experimental architectural workspace where the only tool you need is your own hands. Every hand gesture you make toward the camera is translated into a design decision: walls, columns, windows, doors, and even roofs all are arranged directly in 3D space without a single click.

RekaLimbah Website, *Programmer* May 2026 - Jun 2026

RekaLimbah is a platform designed to educate users about household waste such as plastic bottles, cardboard, and fabric scraps and transform it into safe and useful craft projects (upcycling). Simply select or enter the type of waste you have, and RekaLimbah will suggest several project ideas, complete with step-by-step instructions.

P5 Project - Making Compost from Dry Leaves, *Group Leader* Sep 2022 - Oct 2023.

The Pancasila Student Profile Strengthening Project (P5) themed "Making Compost from Dry Leaves" taught us how to recycle dry leaves into useful compost. Through this project, we also developed teamwork and communication skills by collaborating with teachers and others to ensure its success.

P5 Project - Fresh Fruit Business Creation, *Group Leader* Oct 2024 - Oct 2024

The Pancasila Student Profile Strengthening Project (P5) themed "Fresh Fruit Business" taught us entrepreneurship, teamwork, and communication skills while learning how to manage a profitable business.
